

# HOW TO BUY A HORSE

(at the Bonina Private Treaty Cutting Horse Sale!)

Note underlined advice at the bottom of this page!

1. Sign in! Although Washington is a "Ride At Your Own Risk" state, we insist that everyone sign a liability release when you arrive. A Bonina button will be issued.
2. Wear the Bonina button where it is visible to staff.
3. Read information on each horse. Contact person will be listed.
4. Watch for hip branded horses in the NCHA show and in the Sale horse cutting previews on Saturday, Oct. 22nd.
5. If you want to inspect a horse or horses, you are welcome to walk about the ranch headquarters, find the horses you're interested in and talk to the consignor or trainer in charge.
6. With consignor's permission, ride the horse. You may be interested in the horse for your next cutting horse or for a different sport. For free, you may try the horse:
  - a. Enter the "Climb Aboard A Cutter" contest if you are a first time cutter (it's FREE!)
  - b. Schedule a practice on cutting cattle
  - c. Work horse on the flag
  - d. Ride around barrels
  - e. Ride on the obstacle course – bridge, tires, logs, trench

A veterinarian, will be on site to examine horses at your request. To leave the state of Washington, the horse must have a Coggins, Health certificate and brand inspection.

IF YOU LIKE THE HORSE. And you know the price. IF it's more than you can afford.... Don't lose it. MAKE AN OFFER! Possibly a middle ground can be reached!

If you need thinking time. Exchange your name and phone number with the consignor. Stay in touch!

**If for any reason you feel the horse is unsafe or you are afraid,  
please dismount immediately!  
Lead horse back to the consignor!**
