# MEET THE COLT TO COW CONNECTION TRAINERS

Diehl Hiner riding "Miss Stylish Rey" owned by Don & Pat Noble at the Idaho Cutting Horse Association Spring Aged Event.

**Name:** DIEHL HINER, 40

**Location:** Walla Walla, Washington **Currently Training At:** Hiner Performance Horses

**NCHA Lifetime Earnings:** \$509,889.61 **# Years Training Horses to work cattle:** 16

**Background:** Farming, Ranching, Cutting, Early Years of Rodeo: Bulldogging, Calf Roper/Team Roper.

**First lesson you learned about putting a horse on a cow?** "The horse has to be broke before they go to a cow. They need to be comfortable with stopping and turner over their hocks before even going to that cow."

**Influences:** "I've learned bits and pieces from every one of the people I have competed with. The best advice I have ever gotten about horse training is that you better teach way more than you reprimand. The only way to someday become a horseman is to make every mistake in the book and learn from those mistakes." **Expectations for the 2018**

**Bonina Colt to Cow Connection event:** "My goal is to further familiarize novice cutting enthusiasts with the initiation of the cutting horse training process. Nina works so hard to promote the sport and I'm just happy to have the chance to give a hand." **Link to learn more about Hiner Performance Horses:** <https://www.facebook.com/HinerPerformanceHorses/>

Dusty Whitford working a nice two year old on the flag.

**Name:** DUSTY WHITFORD, 35

**Location:** Ferndale, Washington **Currently Training At:** Whitford Colt Company

**NCHA Lifetime Earnings:** \$184.80 **# Years Training Horses to work cattle:** 3 years

**Background:** 7 years Sapper Army Veteran. Has background in reining, calf roping, and western pleasure disciplines. Currently focused on starting 2 year old cutting and reining cow horses.

**Influences:** "I got my start working for Bill Riddle in Oklahoma. I also worked for the Center Ranch where I trained the 2 year olds (by the Sire Woody Be Tough) for the NCHA Futurity Sale." **First lesson you learned about putting a horse on a cow?** "First thing I'm looking to teach is the connection to the cow."

**Expectations for the 2018 Colt to Cow**

**Connection event:** "I'm just looking forward to having fun and sharing what I know about 2 year olds."

Jeff Bailey with Starlights Smartchic.

**Name:** JEFF BAILEY, 54

**Location:** Kennewick, Washington **Currently Training At:** Bailey Cow Horses, Home of Starlights Smartchic

**NRCHA Lifetime Earnings:** \$10,000 **World Series Team Roping Lifetime Earnings:** \$80,000+

**# Years Training Horses to work cattle:** 20+ years

**Background:** Cowboyed all of his life and is a great horseshoer. From doctoring in the pastures to showing in the performance pen in team roping, reining, cow horse and cutters. Specializes in riding 2 year olds. **First lesson you learned about putting a horse on a cow?** "Don't get in a hurry." **Influences:** "I've cowboyed all my life and worked around cows and horses, it's just something I've always done. I've always enjoyed riding good horses and making good horses. I enjoy learning by sitting and watching good hands. You can learn a lot by watching folks, you can also learn a lot of what not to do. I've watched and visited with a tremendous amount of talented trainers throughout my career and continue to learn." **Expectations for the 2018 Bonina Colt to Cow Connection:** "I think this is just such a great opportunity. I look forward to getting to see the colts and hopefully get to ride a nice one. I wish they had more events like this."

Johnny Hammack Riding a Metallic Cat gelding, first loop at first branding.

**Name:** JOHNNY HAMMACK, 41

**Location:** Chiloquin, OR **Currently Training At:** Bourdet Ranch, Home of Merada's Cookin Now

**NCHA Lifetime Earnings:** \$4,095.02 **# Years Training Horses to work cattle:** 10 years

**Background:** Grew up ranching, roping and rodeoing as a bronc rider. Currently starts lots of 2 year olds for the performance pen. **First lesson you learned about putting a horse on a cow?** "The biggest, best lesson I learned when I got started is the cow is the cue. I want the cow to stop my horse."

**Influences:** "There are so many great people who have helped me and are still helping me. I am still in the process of learning how to train a cutting horse. Randy Jones, Stan Fonson, definitely got me started and still help me when they can. The Bourdet Ranch for letting me ride good horses and Marc Bourdet has helped me a lot. I'd say after working for Shad Platt for a year or so that I try the best I can to do the things I learned there—I like his way and I like his horses style. There are lots of others, like Mitch Davis, that help me. I'm sorry not to mention them all but it would be a long story." **Expectations for the Bonina Colt to Cow Connection event:** "Just to have fun. I'm going to do the best I can to feel my horse and deal with whatever happens and stay in the moment. I want my horse to be licking his lips and enjoying his job."

**To learn more about Johnny's horse training services give him a call:** 541-678-3996

Shane Carlon riding "WRJ Time After Time" at Bluebonnet Stakes Derby Finals in Brenham, TX.

**Name:** SHANE CARLON, 27

**Location:** Whitt, Texas **Currently Training At:** Carlon Performance Horses

**NCHA Lifetime Earnings:** \$46,674.30 **# Years Training Horses to Work Cattle:** 9 years

**Background:** Grew up ranching and rodeoing in Red Bluff, CA. Worked for Eddie Howard for 3 years before going out on his own. Currently specializes in 2 year olds and aged event horses. **First lesson you learned about putting a horse on a cow?** "I learned the need to find release to the cow. Right thing easy, wrong thing difficult."

**Influences:** "I've had many influences along the way but Eddie Howard would be my main influence. He taught me that it's all about the cow." **Expectations for the Bonina Colt to Cow Connection event:** "I'd like to do well of course, but the main thing I'm looking forward to is having fun and getting to share some of the knowledge I have learned along the way. See Eltopia, WA while I'm at it. I think the 2 year old gets overshadowed most of the time, so it's nice to see an event that is showcasing how it all starts. If we don't do a good job at the beginning then the end result will suffer."

**To learn more about Carlon Performance Horses give Shane a call:** 580-504-8878

Travis Rempel riding "This Cats Max" owned by Doug and Angie Weins at Silver Slate in AB.

**Name:** TRAVIS REMPEL, 31

**Location:** Abbotsford, BC Canada **Currently Training At:** TR Performance Horses

**NCHA Lifetime Earnings:** \$280,551.04 **NRCHA Lifetime Earnings:** \$38,763.07

**# Years Training Horses to Work Cattle:** 15+ years

**Background:** Started in the cow horse and the reining and progressed into the cutting industry. **First lesson you learned about putting a horse on a cow?** "Biggest early lesson I learned for first time on a cow is to try your best to make it a positive experience." **Influences:** "I've worked for Les Timmons, Cayley Wilson and Bob Avila. But I have gotten help and tips and been influenced by a lot of trainers and friends that have really helped me a lot."

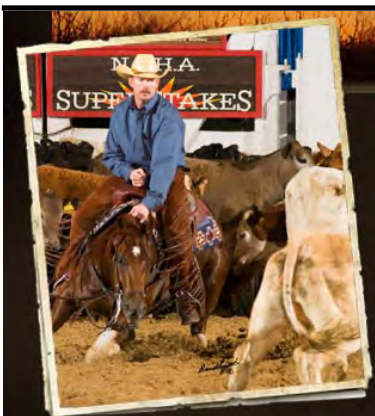

**Expectations for the Bonina Colt to Cow Connection event?** "My expectation is to try and help the horse understand that they should go with a cow."
